

## Showdown: Confronting Bias, Lies and the Special Interests That Divide America

The Ten Things You Cant Say in America struck a chord with eager readers across the country, exposing truths others have been too afraid to address. In his new book, Elder is out to slay entrenched and enmeshed special interest groups, government agencies with the capacity to meddle in Americans lives and businesses, lawmakers who continue a pattern of outrageous overtaxation, and those who would hamstring this country with good intentions. Showdown demonstrates how the nation would be better, stronger and safer with less government intervention and how individuals would not only cope but thrive without the so-called safety net. Showdown is a call to arms for a truly free society. Elder discusses:- What a Republican-led government means for progress- Where a responsible government would put its citizens tax dollars- Why racial and sex discrimination are non-issues in the 21st century. Larry Elders straight talk and common-sense solutions spare no one and will inspire his passionate and growing audience.
